Visiting Statement Prayer

When around people, even at church, have you ever felt that something's following you or never leaves you, and/or feel an evil presence? This is not uncommon, as people and places you visit can have evil spirits that will Attach to you and/or Mark you! This prayer will stop these spirits and keep you free from evil activities!

(Example Visits: Cemeteries, Hospitals, Jails, Mental Wards, Religious Temples, and any place where spirits operate, aka unholy ground)

In the name of Jesus, the name that is above every name, with Authority, I clothe myself with the Blood of Jesus. I COMMAND all local, environmental, religious, and territorial spirits, and the like, that have Legal Rights to any buildings, environments, institutions, temples, territories, the air, land and water, and the like, YOU WILL NOT attach to me, follow me, mark me, or mark my vehicle, or my personal possessions, in Jesus' name!

*I bind every spirit according to **Matthew 16:19**, and loose the warrior angels as protection against every demonic operation, rendering it Null, Void, and INERT!
In Jesus' Mighty name! Amen*
